Declass Review by NGA.

Gentlemen:

Reference is made to the subject Contract, dated 13 January 1967. Because of an oversite on the part of the sponsor, Section F of the General Provisions was inadvertently included in the subject Contract. Because the subject Contract is a cost plus incentive fee type Contract, the appropriate section of the General Provisions is E.

Therefore, the subject Contract is hereby amended to delete Section F and add Section E, which is incorporated herein and attached to this Amendment.

All other terms and conditions of subject Contract shall remain as originally stipulated.

Please indicate your acceptance of the foregoing by signing the original and one copy of this Amendment and returning them to the undersigned at the earliest practicable date. The remaining copy is for your retention.

Very truly yours,

Contracting Officer
